

JANE – DEVELOPING YOUR CAREER

Speaker key

JA Jane Mackie

JA I've had an extremely varied career. I mean, you know, I say I've worked for the business for 20 years, I've never actually done the same job for more than three years, and my jobs have been wildly different. So, running a factory is very different to, to designing a factory. I worked in marketing for a period of time, and now, really, I work in change management.
